

To whom it may concern,

On behalf of **[Organisation Name]**, I confirm our intention to participate in the proposal entitled "**[Project Title]**" submitted to the **ERDERA Clinical Trial Call**.

Should the proposal be selected for funding, our organisation commits to contributing to the project as described in the proposal and to providing the necessary expertise, personnel, resources, and institutional support required for our assigned tasks.

We confirm that we have reviewed and support the objectives of the proposed clinical trial and agree to collaborate with the other consortium partners in accordance with the applicable grant and consortium agreements.

This letter expresses our commitment in principle to participate in the project and is subject to the proposal being selected for funding.

Sincerely,
